

NATURAL WOODSTAIN OIL

The All-in-One Solution

Introducing ABATEC Natural Oil Woodstain, the perfect solution for long-lasting wood protection, primer, and varnish all in one coat!

Designed by the highest standards, this product offers a silky matte finish that enhances the natural beauty of your wood surfaces while providing superior protection.

This isn't your average wood varnish. Formulated from a unique blend of natural oils, our ABATEC Natural Oil Woodstain ensures that your wood can breathe freely, minimizing risks of swelling, cracking, or chipping. It's designed to be weather-resistant and hydrophobic, making it ideal for those outdoor spaces that need extra care.

Zero Hassle!

Our Oil Woodstain doesn't require sanding or priming for reapplication, making your maintenance tasks easier than ever. Plus, its built-in active ingredients safeguard your surfaces from mold, algae, and fungi, providing enduring protection even in extreme climatic conditions.

Versatile & Safe

Useful it not only for your wooden pool, but also doors, windows, garden furniture, balconies, and much more. ABATEC Natural Oil Woodstain guarantees protection and beauty for all your outdoor wood surfaces. And don't worry about harmful chemicals - our formula is made from natural vegetable oils, making it safe and eco-friendly.

Easy Application

Application's a breeze! Apply thinly, let it dry, and voila! Your wood surfaces are protected and looking better than ever. And when it's time for a touch-up, just one coat on a thoroughly cleaned surface is all it takes.

Give Your Wood the Right Treatment
