Over 21 years in business!

DREAMING OF A BETTER PRODUCT

We constantly improve our products. Our in-house design team works very hard to make our pools more beautiful, more usable and long lasting

LEADING THE WAY

We are leading European manufacturer of wooden pools. Our wooden pools have amazed European customers, reached the Middle East and Africa.

QUALITY OBSESSED

Quality of our swimming pools is assured every time. On top of that, we are constantly investing in top class production equipment and researching the newest trends in wood processing and protection.

CERTIFICATES AND AWARDS

By 2022 we have been awarded with more than 30 certificates and awards for growth, development and quality of our products.

business

A misty forest scene with tall trees and a path covered in moss and ferns. The image has a warm, golden-brown color palette, suggesting a sunrise or sunset. The text is overlaid on a dark brown banner at the top.

WHY SCANDINAVIAN PINE?

Our wooden swimming pools are made exclusively from kiln-dried wood, sourced from Scandinavian forests, where the harsh climate and poor soil create an ideal raw material that offers great durability as well as beautiful appearance.
